At Rashid Al kaitoob Advocates we are well versed with various areas of law, and are able to provide Expert Reports and Legal Opinions on each area, including, but not limited to, criminal law, civil law, family law, and property law. We can assist you in the risk analysis process and help you make decisions to move forward.

Legal Opinions can also be presented afterwards in order to evaluate the legal situation and the impact that the legal decision-making process had.

EXPERTISE

Arbitration

It's a technique of resolving civil and commercial disputes outside of court. We deal with procedures and proceedings related to arbitration whether domestic or outside the UAE. We are recognized for providing clients with the best litigation team to meet the specific needs of every proceeding for arbitration.

Healthcare Law

Healthcare law governs the rights of patients and the duties of care owed to them by healthcare professionals. We serve both private practices and large hospitals throughout the national area. We are aware of the challenges faced by the healthcare industry in relation the variety of different concerns such as patient liability.

Banking & Financial Law

It's a diverse area of law which involves the regulation of financial products and is primarily focused on loan transactions. We are expected to carry out due diligence for our clients, and to ensure that our client complies with specific procedures. We may also be required to negotiate the terms of financing agreements with the other party's to help both parties arrive at a mutually agreeable set of provisions.

EXPERTIES

Criminal Law

It's the branch of law which relates to crime and the punishment of those who violate laws. In the UAE, criminal law is enacted into the federal law system. This uses numerous areas of Islamic Sharia law as its basis. That our Lawyers have great expertise and knowledge in. We provide an expert legal advice, guidance, and support through the UAE's legal procedures to achieve best outcome.

Civil Law

The topic of civil law is concerned with the civil rights and legal dealings between private individuals and their counterparts. We offer complete Civil law Services from drafting the agreements to defending people in Civil Courts. Civil Cases are very broad in nature. It covers almost every breach of human right and local systems.

Family Law

It's family matters and domestic relations, including marriage and civil partnerships, the termination of relationships and child law. Which our Lawyer have a wide experience in this area as it's a broad in UAE.

EXPERTIES

Anti-Money Laundering Law

At **Rashid Al Khaitoub** Law Firm & Legal Consultancy, we possess extensive experience in handling money laundering cases at both local and international levels. We provide full legal support to individuals and companies accused of or affected by such cases.

- **Defense of the Accused**

We represent individuals charged in money laundering cases before judicial authorities, presenting the necessary legal defenses to prove the legitimacy of funds and refute criminal intent.

- **Corporate Representation**

We review companies' commercial and financial operations to ensure compliance with applicable regulations and develop internal policies that minimize the risk of money laundering suspicion.

- **Legal Due Diligence for Transactions**

We assess mergers, acquisitions, and investment deals from a legal standpoint to ensure they are not connected to any unlawful activities or suspicious funds.

- **Challenging Legal Actions**

We contest asset freeze or confiscation decisions issued by relevant authorities when made without proper legal grounds or in violation of the right to defense.

Intellectual Property

It's the rights and obligations which attach to creations of the intellect which can arise in artistic, scientific inventions and various designs. We deal with the relevant authorities and enforce the trademark in the UAE. We provide full professional services to both individual and corporate in identifying counterfeit products, dispute resolution, rights enforcement, resolving electronic trademark matters, franchise arrangement, and investigation to uncover unlawful practices etc.
